

## **CAI Logistics' Flatbed Team Named to Supply & Demand Chain Executive's 2020 List of Pros to Know**

March 16, 2020

SAN FRANCISCO--(BUSINESS WIRE)-- CAI Logistics, a division of CAI International, Inc. (CAI) (NYSE: CAI), one of the world's leading transportation finance and logistics companies, was named one of Supply & Demand Chain Executive's 2020 Pros to Know in the supply chain industry.

CAI Logistics' flatbed logistics team was recognized for their exemplary work providing customers with high-touch attention and above-and-beyond personalized service. The flatbed logistics team focuses on anything that exceeds the size capacity of a traditional container and needs to be loaded or unloaded by crane or forklift.

"We are honored to be recognized for our commitment to providing the best possible service to our customers." said Yasir Hasan, Senior Director, Logistics. "This award is a testament to our continued hard work in bringing personalized and innovative solutions to our customers across the industry."

The Pros to Know Awards recognize supply chain executives, and manufacturing and non-manufacturing enterprises that are leading initiatives to help prepare their companies' supply chains for the significant challenges of today's business climate. Supply & Demand Chain Executive, the leading B2B publication, received more than 500 entries for the 2020 Pros to Know Awards.

### **About CAI Logistics**

CAI Logistics is a leading expert in intermodal, highway, and international shipping. As a division of [CAI International, Inc.](#), CAI Logistics uses its well-established industry presence to provide a wealth of benefits, including legacy railroad direct contracts, a company-owned and operated office network, freight forwarding and NVOCC services, and non-asset-based capacity solutions to its customers. Its unique customer-centric approach allows CAI Logistics to design creative and custom solutions, whether shipping goods regionally, across North America, or to destinations overseas.
